

I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM satellite radio's ability to provide the kind of programming that I demand and deserve. I benefit from listening to XM Satellite Radio and its traffic and weather channels. XM satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear.

PLEASE REJECT the NAB's petition 04-160 and I strongly oppose HR 4026!!
